REFERENCE

Groupon Sp. Z o.o. would like to inform you about cooperation with Farin located in: Jaskrów (42-244), Częstochowska 185.

Cooperation started in 21.11.2013 and lasts till now because of very satisfying results.

The scope of cooperation includes:

- Production and sales of dedicated glass bowls

Quality of products maintains highest standards.

In business there is nothing as important as meeting deadlines - recommended contractor understands that perfectly. The company keeps a set time of closing the order.

The reliability of the company does not raise any objections. I would also like to inform you about high standards of cooperation.

A particularly noteworthy is communication with the contractor.

In conclusion, Farin is very reliable partner to cooperate with.

Kind Regards
Marta Dobrowolska
